INFORMATION

A.K.A.: Clear Information about the Project

This is a meme token.

The Schwab Token (SCHWAB) is a decentralized, meme-inspired digital token – nothing more! Embracing the essence of meme culture with the power of blockchain, SCHWAB intends to capture both the fun of meme tokens and the camaraderie of the crypto community.

The purpose of the token is to be a reward for different achievements in the community, prize awards for game and to serve as a token of appreciation among meme creators.

\$SCHWAB

“Meme hard and get reward”

– this is our motto.

The Schwab Token (SCHWAB)

Each individual Schwab meme creator is automatically entitled to enter into the meme contest on the social media platforms of the token. Token holders can reward each other by sending SCHWAB to each other and take part in the meme contests that are periodically popping up on X.com (Twitter), Telegram and Tiktok channels of the token.

After a fair launch, 96% of the liquidity was locked in the liquidity pool (0x8c9513cf827d2b8fe819f322857bf836734b7262)
